 Official Conference hash tag is #scgs2017
Social Media Policy

The Southern California Genealogical Society is an active supporter of the use of social media (e.g. Facebook, Twitter, and blogging) at its events, including the society's annual Genealogy Jamboree. Event attendees are allowed and encouraged to promote, critique, and review the conference, its exhibitors, speakers, and activities using these forms of media.

Use of smartphones, notebooks, laptops, tablets, etc., shall not disrupt other attendees. Mobile device ringers must be set to silent during lecture sessions.

Attendees are prohibited from recording the proceedings of any lecture or workshop session by any means, including but not limited to photography, audio recording, video recording, or verbatim transcription, without expressed written permission from both SCGS and the lecture speaker. Some sessions will be professionally audio recorded and available for purchase after the event.

Social media may be used to summarize or extract lecture content provided:

- (1) the author is referenced and cited appropriately; and
- (2) material is not shared in full.

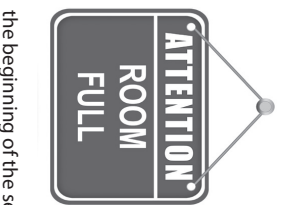

We fully respect the intellectual property rights of the authors of syllabus materials and lecture content. Copyright laws apply.

Seating Policy

All seating is first-come, first-seated. For the safety of our guests, classroom doors will be closed once the room capacity is reached.

The Burbank Fire Department will be on site to ensure that we do not exceed room occupancy laws.

"Saved" seats will be released 3 minutes prior to the beginning of the session.
One person can save no more than two additional seats.

Filming Notice

By attending this event you consent to the use of your photograph, voice, likeness, and image in broadcasts of this event and in subsequent productions drawn from video or audio recordings of this event.

The App is Back and Even Better than Before!

The Southern California Genealogical Society is thrilled to announce that an interactive smartphone application will again be available for 2017.

The app is available for iPhone, Android, BlackBerry, and any other smartphone, tablet, or any device that has web-enabled browser capability. You don't even need a gadget in order to be able to use it. You can use it in a browser on your laptop.

The app developer is Core-Apps, LLC.

What Can You Do with the App?

- Search for session by day/time, speaker, experience level, or by topic, so you can find the best session every hour of the day.
- Set up a personal calendar of sessions. Think about choosing a primary and a backup in case the room is full.
- Take session notes right within the app.
- Download syllabus articles from many speakers.
- Learn about the speakers - their bios, other sessions.
- Leave your feedback about each session right on the app.
- Plan your attack of the exhibit hall and find favorite vendors on the trade show floor map.
- Keep in touch with your friends. Send messages, share their schedules.
- Download exhibitor brochures, coupons, membership applications, and other documents.
- Receive updates about both scheduled and informal activities.
- Follow or join in on the Twitter feed (#SCGS2017).
- Read the Jamboree blog.
- Share your photos and see photos taken by others.
- Find your way around the Marriott - refer to venue maps to locate meeting rooms and hotel services.
- And more!

All users can download or use at <http://m.core-apps.com/scgs2017>

Parking at the Los Angeles Marriott Burbank Airport

Enter the Marriott parking lot from Thornton Avenue. There is a Bank of America lot located just to the north of the Marriott that is closed to our use at all times. We have negotiated a discounted rate of \$16 per day for parking in the Marriott lot for the duration of the conference. Valet parking is available at \$27 per day.

There is a 10-minute drop-off time, so if a driver is dropping off someone at the Marriott and then leaving, they will not need to pay for parking within the first 10 minutes.

Overnight guests of the Marriott enjoy in-and-out privileges, and parking charges can be added to your hotel bill for your convenience. The Marriott registration desk will code your room keycard to use to go in and out of the parking lot.

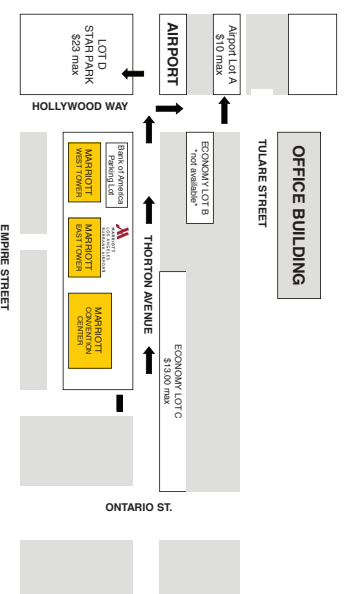

Daily parkers not staying overnight do not have in-and-out privileges. Commuters can pay the attendant for parking at the kiosk inside the convention center. Attendant hours will be posted at Jamboree.

Handicapped parking is available north of the Convention Center.

In the event the Marriott lot becomes full, parking will be available in Airport Economy Lot C directly across from the Marriott lot. The Jamboree rate for parking at Lot C is \$13.00 per day.

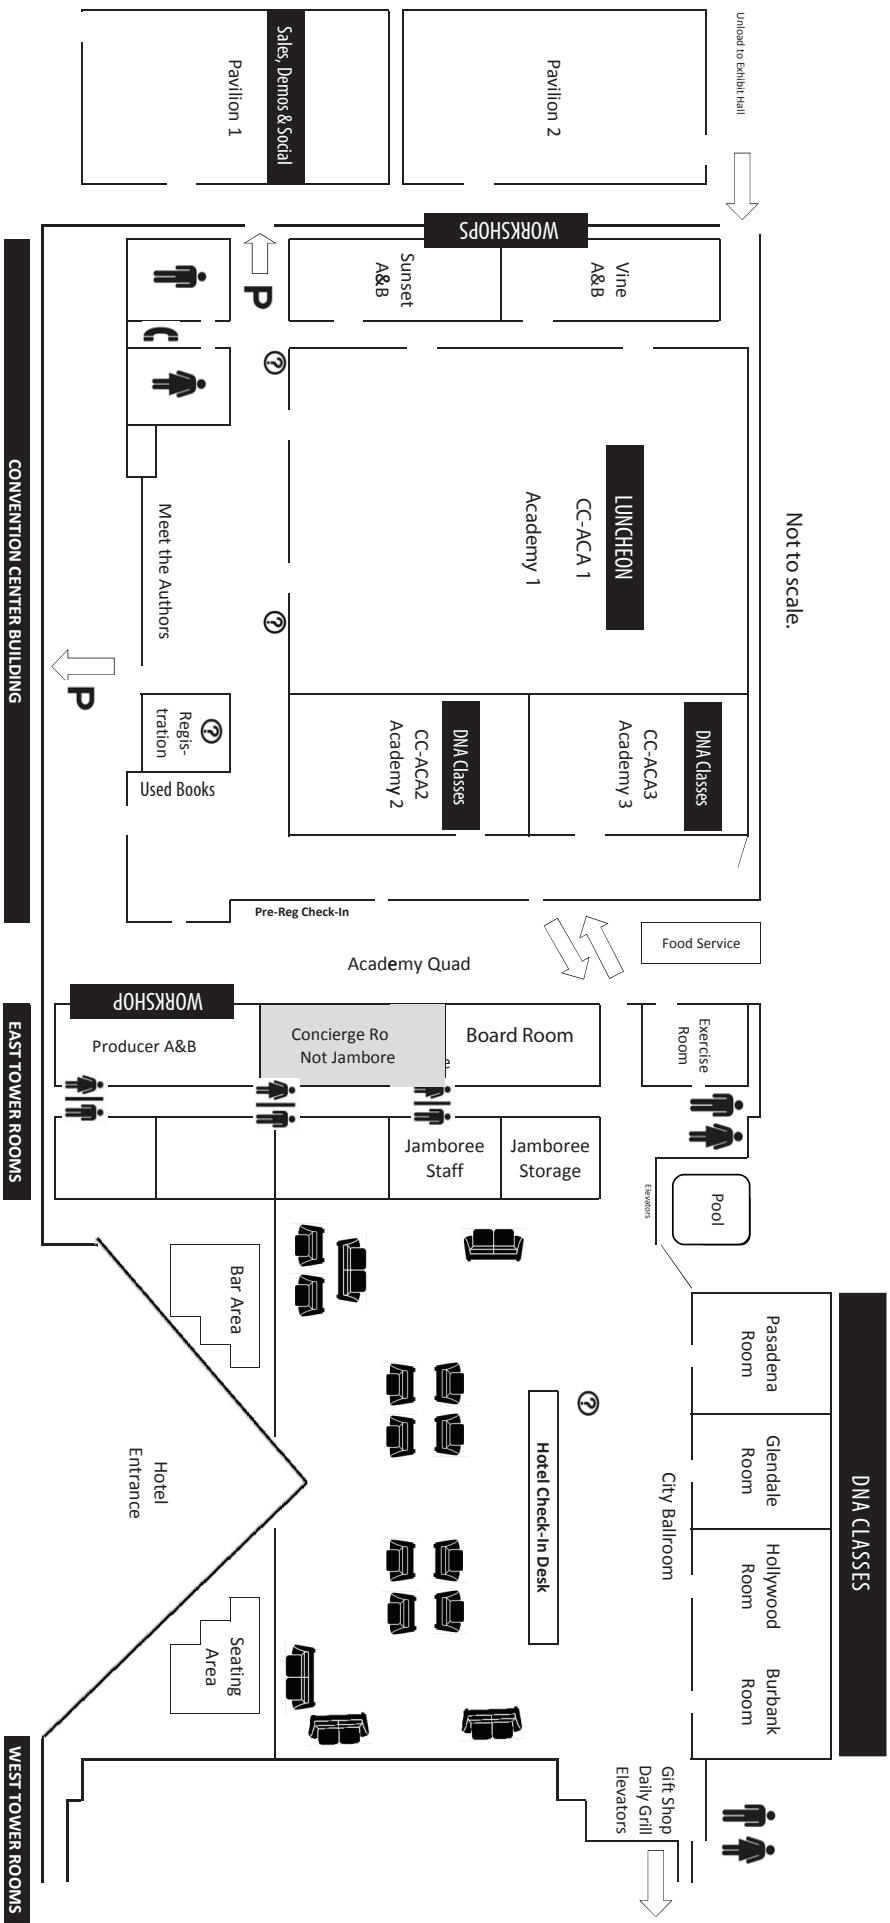

If both the Marriott and Lot C fill up, Airport Parking Lot A on the west side of Hollywood Way 1/5 mile north of Thornton Avenue will also be available for \$10 per day. Finally, Lot D (Star Park) directly across Hollywood Way from the Marriott will be available for public use. The price for parking at Lot D can go up to \$23 for the day.
